Chadwick & Garvy LLC is pleased to announce the opening of its Chicago office at 125 S. Wacker Drive, Suite 300. The direct dial phone number for this office is (312) 324-0340 and fax is (312) 324-0376.

We are opening this office to better serve the needs of our clients who are located in the Chicago Loop. In particular, our Chicago Loop office will enable us to meet more easily with our Chicago clients who primarily use our valuation, economic damages, and tax consulting services.

We look forward to continuing our relationships with all of our Chicago Metro area clients through both our west suburban and new Chicago Loop offices.
